Dear John and all members of the New Milton & District Round Table 133,

Thank you for your kind donation of £288.00 you made to Macmillan Cancer Support recently as proceeds from the 'Conception' RPG and games event you held recently. Your support is greatly appreciated and will make a real difference to people living with cancer and their families.

New professional Macmillan posts continue to be created, and vital information accessed through our Macmillan information service. We also provide support and practical advice to people affected by cancer through our freephone CancerLine service, and our Macmillan Benefits Helpline continues to advise people who, due to cancer, are struggling to cope financially.

We wouldn't be able to do this without your help, and thanks to you, Macmillan can provide the practical and emotional support that will change the lives of people who are living with cancer today and in the future.

Please accept our warmest thanks for your valuable support

Yours sincerely

Matthew Lane

P.S. Please find enclosed our new Macmillan green safety pin. It's a great way to show your support. Hang one on your necklace, pin it on your bag, or pop it on your lapel. #### How does Gift Aid work?

It's simple. If someone is a UK taxpayer and they give us their permission by making a Gift Aid declaration, we can claim back the tax back on their donation. It means for example that a £10 donation becomes worth £12.80 and for every £50 gift, we will actually receive £64! And this is at no extra cost to the individual.

In order to make a claim all we will need is each individuals full name, full home address (including post code), and for them to confirm that they are a UK Income/Capital Gains tax payer. Please request a Gift Aid sponsorship form from the number above to make each donation worth more.
