Dear Mr Puzey

I am writing to thank members of the New Milton & District Round Table for the donation of £3000.00 to Naomi House Children's Hospice, following the "conception" events at Hoburne Naish Holiday Park. I am glad that the event was a huge success. Your generous donation is indeed most kind and your support of our children's hospice is very much appreciated by everyone here.

This year is very special for us as we are celebrating our 10th Anniversary. Since we first opened in 1997 we have been privileged to care for over 400 life-limited children and their families from central southern England. We could not have done this without the help and support of our donors. We need to raise £2.5 million each year to keep the doors of Naomi House open and with just 10% of our income coming from government we rely on the generosity of our supporters to raise this amount. Currently we support 274 children and therefore your donation is very important to us as it means we can continue to provide care and support to our families when they need it most.

Once again thank you for your donation and if I can help in any other way, please do not hesitate to call.

Yours sincerely

HILARY JUKES
