20 March 2008

Dear John and members of New Milton & District Round Table

I am writing to thank you for your generous donation of £3,500, which we received earlier in March. It is always so special to us to receive such solid support from the New Milton Tablers particularly as there are so many local wishes happening already.

Conception is such a success story and we will make sure that later this year, we start working on raising awareness in preparation for the 10th anniversary.

As you know we are always looking for children to help and if, as always, you could be our ears and eyes in your area and perhaps refer children to us, we would love to hear from you.

We constantly work hard to build relationships in various areas throughout the UK and would find this hard without the positive support of Round Table. In 2008 we look forward to involving you in other fundraising events, perhaps charity runs or our national golf competition the Area 48 day has grown to such an extent that we now run two days back to back - 11 & 12 June. We would be so pleased if some of your Tablers would come along and support the day, it is a lot of fun and very relaxed.

Thank you again for your generous and continued support and please take a look at the RTCW website www.rtcw.org when you have the opportunity which I hope you will find of interest.

With kind regards

Julie Atherton
Fundraising Co-ordinator
